Guidance notes on completing the Annual Return

1. You must apply proper practices when preparing this annual return. For guidance, please read the Practitioners' Guide (**Governance and accountability for local councils: A Practitioners' Guide (Wales)**) – available from One Voice Wales and SLCC. It contains everything you need for the financial year-end and the statutory audit.
2. The Wales Audit Office Good Practice Exchange (www.audit.wales/good-practice/finance/community-council-money) provides further information on the accounts and audit process along with guidance on governance matters.
3. Make sure that the Annual Return is fully completed ie, no empty red boxes. Please avoid making any amendments to the completed return. If this is unavoidable, cross out the incorrect entries, make sure the amendments are drawn to the attention of the body, properly initialled and an explanation for them is provided to the external auditor. **Please do not use correction fluid.** Annual returns that are incomplete or contain unapproved and/or unexplained amendments or correction fluid will be returned unaudited and may incur additional costs.
4. **There are now two boxes for certification and approval by the body. The second box is only required if the annual return has to be amended as a result of the audit. You should only complete the top box before sending the form to the auditor.**
5. Use a second pair of eyes, perhaps the Chair or a member, to review your Annual Return for completeness before sending the original form to the auditor.
6. Make sure that your accounting statements add up, that the balance carried forward from the previous year (line 7 of 2017) equals the balance brought forward in the current year (line 1 of 2018). Explain any differences between the 2017 figures on this annual return and the amounts recorded in last year's annual return.
7. Explain fully any significant variances in the accounting statements. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a detailed analysis to support your explanation and be specific about the values of individual elements making up the variances.
8. Make sure that the copy of the bank reconciliation you send to your auditor with the Annual Return covers **all** your bank accounts and cash balances. If there are no reconciling items, please state this and provide evidence of the bank balances. If your Council holds any short-term investments, please note their value on the bank reconciliation. The auditor should also be able to agree your bank reconciliation to line 9 in the accounting statements. More help on bank reconciliation is available in the Practitioners' Guide*.
9. **Every** small body is now required to send to the external auditor, information to support the assertions made in the Annual Governance Statement. Your auditor will tell you what information you need to provide. Please read the audit notice carefully to ensure you include all the information the auditor has asked for. You should send **copies** of the original records (certified by the Clerk and Chair as accurate copies) to the external auditor and not the original documents themselves.
10. Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful.
11. If the auditor has to review unsolicited information, repeat a request for information, receives an incomplete bank reconciliation or explanation of variances or receives original documents that must be returned, the auditor will incur additional costs for which they are entitled to charge additional fees.
12. **Do not complete the Auditor General for Wales' Audit Certificate and report.** The external auditor completes this on behalf of the Auditor General for Wales on completion of the audit.
13. **Please deal with all correspondence with the external auditor promptly.** This will help you to meet your statutory obligations and will minimise the cost of the audit.
14. **Please note that if completing the electronic form, you must print the form for it to be certified by the RFO and signed by the Chair before it is sent to the auditor.**

ISSUES ARISING REPORT FOR
Rogiet Community Council
Audit for the year ended 31 March 2018

Introduction

The following matters have been raised to draw items to the attention of Rogiet Community Council. These matters came to the attention of BDO LLP during the audit of the annual return for the year ended 31 March 2018.

The audit of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

The matters listed below are explained in further detail on the page(s) that follow;

- Minor issues
 - Expenditure powers - S137 power incorrectly used
-

The following issue(s) have been raised as there are minor errors on the annual return which we wish to draw to the attention of the body so they do not occur again in future years.

Minor issues

What is the issue?

The following issue(s) has been raised as the comparatives have been changed:

The comparative figures disclosed in Section 2 of the Annual Return do not agree to the audited Annual Return for last year. We believe the figures have been input in error but the error does not affect the balance carried forward into the current year.

Why has this issue been raised?

This is raised to bring the matter to the attention of readers of the annual return.

What do we recommend you do?

No further action is required.

Further guidance on this matter can be obtained from the following source(s):

Governance and Accountability in Local Councils in Wales - A Practitioners Guide, OVW/SLCC

The following issue(s) have been raised to assist the body. The body is recommended to take action on the following issue(s) to ensure that the body acts within its statutory and regulatory framework.

Expenditure powers - S137 power incorrectly used

£400 - 2 paid under S137
St A. £22000 / C. £10000 - RATES
£30000

What is the issue?

Payments were made to one or more of the following: a local social, sports or youth club(s) which could have been authorised under S19 of the Local Government (Miscellaneous Provisions) Act 1976, power to provide recreational facilities within and outside of the area.

Why has this issue been raised?

The council incorrectly recorded items as Section 137 payments when other statutory powers existed. A payment cannot be recorded under S137 if another statutory powers exists.

What do we recommend you do?

The council must ensure in future years that it reviews the list of statutory powers available to council to establish if a power exists before relying on S137 to authorise a payment. The statutory power being used to authorise expenditure should be recorded alongside the item to demonstrate the council has properly followed its standing orders and financial regulations.
