## Additional disclosure notes\*

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

### 1. Expenditure under S137 Local Government Act 1972 and S2 Local Government Act 2000

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2022-23 was £8.82 per elector.

In 2022-23, the Council made payments totalling £86.80 under section 137. These payments are included within 'Other payments' in the Accounting Statement.

### 2. 2021/22 Audit

a. A major point raised by the internal auditor regarding 'capital' expenditure on a project was disputed by council and our position was subsequently shown to be correct, according to advice received from One Voice Wales.

b. There were mitigating circumstances for some observations, owing to the permanent Clerk/RFO leaving employment of council and a temporary Clerk/RFO being in place, at the time of the audit.

## Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2023 of **Rogiet Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

### **Audit opinion: Qualified**

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### **Basis of Qualification**

#### **Accounting Statement**

I am unable to conclude whether or not the Accounting Statement properly/fairly presents the Council's receipts and payments/income and expenditure and financial position:

- The Council has not maintained proper accounting records as required by the Accounts and Audit (Wales) Regulations 2014. The Council has been unable to provide relevant supporting documentation to support payments that have been made.
- The Council's staff costs figures do not include fixed sum allowances paid to the Clerk.

#### **Other matters and recommendations**

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

#### **Prior year typographical error**

Line 11 has not been completed and should be equal to line 9 and 7 for both the current year and prior year comparative.

**Councillors Allowances**

The Council should formally discuss and minute decisions relating to accepting/refusing Councillor remuneration determinations.

There are no further matters I wish to draw to the Council's attention.
