For October/November 25 Rogiet, as you can see Violence without injury is top of the list again.

Incidents by Category

# PLISMONA CYMDOGAETH – Y NEWYDDION DIWEDDARAF NEIGHBOURHOOD POLICING UPDATE

As you can see from the chart the incident types which have been reported in the last 28 days.

Violence without injury is categorised as assault without injury, harassment, stalking without violence are a few of the offences within this category. There are two offences which have been recorded neither of these are repeat incidents.

All other thefts is two recorded offences one make off without payment and the other is a parcel which was delivered with its contents missing. The public order incident is a road rage type incident with gesturing there is no complaint from the victim.

Criminal damage is damage which has been caused to property this investigation is ongoing.

There is an incident in which was reported to Gwent Police at approximately 6pm on Sunday 2<sup>nd</sup> November 2025. This incident resulted in a large emergency services response to an address in Crossways, Rogiet following a report of a dog attack. A 9 month old baby boy was pronounced dead at the scene. The dog involved was an XL Bully type dog which was registered with DEFRA. Two persons have been arrested and bailed whilst enquiries are ongoing.

Since the incident we have increased patrols and to try to reassure the community as much as possible. We understand that there maybe some community concerns around this incident but would urge people not to speculate as this is an ongoing investigation.

Since the incident there has been some ASB in the surrounding area of the incident but after review there is no link, its youths kicking doors and posting it on social media and we in the process of identifying them and will deal with them accordingly.

We will continue to engage with the community through patrols and surgeries during this difficult time.

# PLISMONA CYMDOGAETH – Y NEWYDDION DIWEDDARAF NEIGHBOURHOOD POLICING UPDATE

We have gone into Rogiet Primary giving lessons around safety and what we do as police to give them a better understanding of our jobs and why we do them. The schools have been really accommodating, and the children have asked many different and sometimes funny questions.

As a neighbourhood team we would just like to thank the community at this time for all there help and support. If there are any questions or members of the community have any other problems, please attend the next police surgery - Police Surgery 19<sup>th</sup> November 10am Rogiet Community Cafe.

One final point is that we are now starting a new initiative messaging system which is called Neighbourhood Matters this will keep the local community informed of local incidents, crime prevention advice, upcoming events and our local policing priorities. If you are interested in signing up, please scan the QR code below or go to [www.GwentNeighbourhoodMatters.co.uk](http://www.GwentNeighbourhoodMatters.co.uk)
