

Community or County Council? Who is responsible for what?

Rogiet Community Council (RCC) is the most local of the two tiers of government that represent Rogiet, with the other tier being Monmouthshire County Council (MCC). The two councils are responsible for different services as listed below. If you are not sure who you need to speak to on a particular subject, please call us on 07563 543 959 (Monday to Friday 10.00 am to 14.00 pm) or contact us by email or via our Facebook profile and we will be happy to advise you.

The Community Council is committed to providing services and facilities which meet the needs of the people of Rogiet and recognises that it is often appropriate to work in partnership with other organisations, including MCC.
