Minutes

**Minutes of the Ordinary Meeting of Rogiet Community Council held on
Wednesday 10th July 2024 at 6:30pm at the Pavilion and by Zoom**

Ordinary Meeting

	Open Forum None.
01	ATTENDANCE & APOLOGIES FOR ABSENCE Cllrs Ellwood (Chair), Cawley, Fowler and Cromwell. Clerk/RFO – Alice Vaughan (Zoom). Cllr Wilson, Trow, Winskill and County Councillor Strong– apologies accepted.
02	INTERESTS DECLARED None.
	EXCLUSION OF PRESS AND PUBLIC To consider and agree any items requiring to be heard without press and public present under section 1(2) of the Public Bodies (Admission to Meetings Act) 1960, where transaction of business is considered confidential, the disclosure of which would be prejudicial. None.
03	Minutes of Meetings of Council: Ordinary Meeting of 12th June 2024 Resolved: Minutes approved with an amendment for Item 23 – added another power to spend: Section 137.
04	Monthly Police Report June 2024 Not received.
05	County Councillor Report <u>COUNTY COUNCILLOR REPORT TO ROGIET COMMUNITY COUNCIL</u> <u>JULY 2024</u> Many MCC meetings were cancelled due to the election. In addition to individual casework and those MCC meetings that went ahead, I have been involved in a number of matters over the last month. HOME SCHOOL TRANSPORT A consultation is about to be announced on the MCC Home School Transport Plan to be introduced in September 2025 (not 2024). The plan has to be agreed by MCC by 1 st October 2024. The proposals contained in the consultation are likely to have a significant

impact on many families in Rogiet. Councils across England and Wales are finding that the costs of transporting pupils to school are growing very rapidly. In these circumstances the choice before MCC is between:

*reducing free provision. (It should be noted that our current provision is more 'generous' than the statutory requirement and of the provision in most Welsh counties).

*adding the additional cost to council tax.

*making savings (i.e. cuts) from elsewhere. If these savings were to be made from the education budget these might involve, for example, employing less teaching assistants.

None of these options is likely to be popular. It is therefore important that as many people as possible take part constructively in the consultation.

B4245/M48 LINK ROAD

Ken Skates, the Minister for Transport in the Welsh Government, was due to visit Rogiet in June to view the road situation around Severn Tunnel Junction. The visit was cancelled due to the election but is being rearranged.

DOG EXCLUSION ZONES

I took the opportunity at a meeting of MCC Performance and Overview Committee to ask how and when these would be enforced. Although they came into force on June 1st, they will not be enforced until proper signs have been erected. Enforcement will be 'intelligence led' i.e. following up leads (excuse the pun) where there have been reports of problems in specific places or with specific owners.

CALDICOT POST OFFICE

It is welcome news that a new Post Office is due to open in Caldicot in September. The process has been assisted by MCC using a grant from the Welsh Regeneration Fund. Unfortunately, there seems to be no immediate prospect of the Post office Van returning to Rogiet.

ROGIET SCHOOL

I was pleased to speak to Class 5 at the school about the history of the Severn Tunnel and to attend the Summer Fair. I also visited children from the school who, along with other local school, were taking part in a day of activities at Caldicot Leisure Centre.

REPRESENTING MONMOUTHSHIRE COUNTY COUNCIL

As Vice-Chair I represented MCC at a British Citizenship ceremony, at the presentation of a British Empire Medal and at D-Day commemorations in Abergavenny. As Armed Forces Champion I took part in D-Day commemorations at County Hall, Monmouthshire Veterans Armed Forces Day barbeque, the Armed Forces Day flag raising at County Hall and represented MCC at the Wales Armed Forces Day event in Swansea, receiving the official 'handover' flag and announcing that next year the event will be held in Monmouthshire (at Caldicot Castle and Country Park). This will be a large-scale event that will bring many visitors to the area.

10	Councillors Surgery – Monday 5th August 2024 9:00am-11:00am at Rogiet Church Hall Confirmed attendance of Cllrs Ellwood, Cawley, Fowler and Cromwell.
11	Grass Cutting Clerk to request that the pathways through the grass be cut to a minimum of 2m wide and that the pathways are cut around the perimeter of RCC land. Also, that the full length of the path from the top of the allotments to the car park and the edge of the car park (boundary to allotments) be trimmed / cut back.
12	CCTV Signage Approved: to order two new signs for the refurbished dugouts as other signage damaged - £21.18 (including VAT and delivery). War Memorial Area Council agreed to get an estimate for an additional camera to be placed on the Pavilion to cover the area facing the War Memorial. Finance committee / full council to look at budget in October 2024. Allotment Society Request RCC received a request from the allotment society to extend the current CCTV system to cover the top path and boundaries of the school and allotments. Council did <u>not</u> agree to go ahead with this request at present, as we do not have enough funds in the CCTV budget for the expense of an additional camera, power source, Wi-Fi sender / receiver, etc. We will review this when we go through our annual budget and precept setting exercise at the end of this year (for FY 2025-26). Also, council had concerns about the Allotment Society request and would need to investigate this further with regards to processing much more imagery of data subjects to counter a fairly low-level problem on the allotments. As well, there are no RCC assets to protect along that area. As a public body, council must take great care that decisions to install surveillance devices and process data strike the right balance between people’s basic right to privacy and the needs of the organisation to protect public property, detect and deter crime, etc.
13	Rogiet Community Café Mural fixing: RCC have no specific requirements on location or fixing system for the RCJ mural other than that the item must be well secured so as not to present a hazard to the public. Gates and Gateposts: Approved: request to leave the gate and gateposts uninstalled after the build of the Café/Shop. RCC to investigate further, as to how will we dispose of the metal items, and if there will there be any scrap value to consider - or if we should sell locally.
