Minutes

05 County Councillor Report

COUNTY COUNCILLOR REPORT TO ROGIET COMMUNITY COUNCIL FEBRUARY 2025

CASEWORK

Over the last month I have been involved in a number of pieces of casework, including: emergency housing provision, advocating for tenants with social housing providers, planning enforcement, flooding control, rubbish collection.

MCC COUNCIL MEETINGS

At Full Council on the 12 December 2024 the following were agreed: Monmouthshire County Council to become a Deforestation Free Champion and signed the Deforestation Free Champions Charter.

The Council also adopted the Charter for Families Bereaved through Public Tragedy.

At People scrutiny meeting on 25th November 2024 the meeting discussed the criteria for Blue Badges and its implementation across Monmouthshire.

On 21st January 2025 the meeting discussed the Review of Homeseach Policy and how it relates to 'Housing Need' in Monmouthshire. A number of amendments have been made to the criteria (for example relating to the Armed Forces Covenant). There are currently 3,700 on the housing register and 2,000 in 'Housing Need'.

At the Full Council Meeting held on 23rd Jan 2025 Council agreed the Council Tax Reduction scheme for 2025/26, which allows for reductions in Council Tax for individuals on low incomes, single occupants etc.

MCC BUDGET 2025/26

Consultation on the draft budget began on January 23 and closes at midnight on February 22. Residents are encouraged to give their views. Full details can be found on the home page of the MCC website. The key points are:

Council tax is projected to increase by 7.8%. This is necessitated mainly by increased demand for adult social care and for looking after vulnerable children.

There will be a 10.7% increase in spending on education and 10.6% in social care.

There will also be an £2 million from the capital budget for highway and infrastructure improvements.

20 MPH SPEED LIMITS

MCC Highways Officers met with Severnside MCC councillors yesterday to discuss possible reversions to 30 mph. Officers' recommendation was that even after reviewing the speed limits using the revised criteria there should be no such changes. Full details from the B4245 were provided.

I argued a case as follows, not to insist on changes but to check if the revised criteria had been applied appropriately to Rogiet:

Taking into account the revised criteria it is clear that the section of the B4245 at the eastern end of Rogiet should remain at 20 mph. There appears to be a case,

Minutes

however, for the remainder of the road (west of a point between Ifton Road and South Grove) through Rogiet to revert to 30 mph on the following grounds:

1. There are houses on one side of the road only. (N.B. The bungalows on Elizabeth Sparkes Close do not front on to the B4245 but face inwards. The few bungalows that face outwards (and have Caldicot Road addresses) have an area of grass and inner pavement so do not front directly on to the road. (4.2.1.)
2. The only services on the north side of the road on this section are bus stops. There are traffic light pedestrian crossings giving access to these. (4.4.1.)
3. The length of road concerned exceeds 400 metres. (4.6.2.)
4. It's a "main strategic route carrying traffic through..." (4.1.1, 4.2.2.)
5. It's an important bus corridor. (4.3.1.)

While it was accepted that there was a case here, it was explained that, although this is not made entirely clear in the revised criteria, 600 metres rather than 400 was the correct distance to be applied before changing a speed limit and that the stretch of road under consideration (South Grove to Station Road) was less than 600 metres. As a result no changes were recommended.

The final decision will be taken at Cabinet level but I think we can safely assume that no changes will be made anywhere along the B4245.

This will please some but displease others. My view is that rather than continuing to argue about this we should concentrate our efforts on improved enforcement, a crossing or traffic island at Ifton, completion of the long delayed Undy-Rogiet shared path and a link road to the M48. A site meeting is being arranged with MCC officers to consider other ways of improving road safety along the B4245 (e.g. enforcement). I also wrote to John Griffiths MS to ask him to try to fix a date for Ken Skates MS to visit Rogiet as promised.

Peter Strong
County Councillor
Rogiet Ward
