Monmouthshire South Monthly Update

OCTOBER 2026

WARD NAME
ROGIET

The crime data above shows the recorded incidents within the specific ward area for Rogiet.
Over the last month, 5 crimes have been recorded in Rogiet.
There has been a decrease in the number of crimes reported in the Rogiet area from 8 to 5 since last month's report. Some of these crimes are still under investigation.

Gwent police break down recorded offences into specific groups to track crime patterns and allocate local resources. The following details outline the main differences between these categories.

- **Violence Against the Person (With or Without Injury):** This can include crimes of Assault, Threats, Coercive and Controlling Behaviour and Stalking and Harassment.

- **Public order offences:** Involve actions that disrupt community peace, such as brawls or incitement to hatred or could be persons swearing at each other in the street.
- **Criminal Damage and Arson:** Involve intentional, malicious damage to private and public property.
- **Acquisitive Crime (Theft from a Person or Theft Other):** Are crimes where the offender profits by stealing property, such as Burglary, Shoplifting, Bicycle Theft and Vehicle Crime.

The crime categories are as follows:

Crime Category	# of Crimes	%
Total	**5**	**100%**
Violence Without Injury	4	80%
Criminal Damage & Arson	1	20%

The above chart shows that for the last 28 days, there have been 2 different recorded crimes. The highest offences are Violence Without Injury offences. There have been no concerning trends or patterns of note identified from September's statistics.

Main Issues in the area for the month of October are:
There have been no significant issues of note identified during the Month of October.

Good Work

- Officers have continued proactive patrols in Rogiet, with particular attention given to the Seven Tunnel Junction car park during late-night periods. During one such patrol, a motorcyclist was issued with a Section 59 seizure after being observed riding without a helmet and in a manner that caused alarm, distress, and annoyance to members of the public.

- Speed monitoring has taken place on the B4245 in Rogiet. 47 vehicles were monitored between the 15:15 and 15:45 on the 26th October. The speed limit at this location is 20mph. The average speed recorded was 19mph and the highest speed recorded was 26mph.
  It should be noted that motorists may flash their headlights to warn oncoming vehicles of the presence of speed monitoring officers. This can influence driving behaviour prior to vehicles reaching the monitoring point. Despite this, visible speed enforcement activity can act as an effective deterrent and help promote compliance with the speed limit.

- PCSO 541 Van Arkel attended Rogiet Community Junction for a police surgery.

Where to find us:

- A police surgery will be held at Rogiet Community Junction on 12th November between 10:00 -12:00.
- Further dates will be published on our Facebook page, on our Neighbourhood Matters App, and a poster has been created for display at the Community Junction Cafe.
